

**THERE'S  
SOMETHING  
FOR  
EVERYONE!**

**BUCKNELL UNIVERSITY  
LEWISBURG, PENNSYLVANIA**

# SUPER 64

WVBU-AM, SUPER 64, broadcasts closed circuit to the campus of Bucknell University 24 hours a day. The programming is primarily Top 40 with a portion of its broadcasts automated. Although the F.C.C. has no direct jurisdiction over carrier current transmissions, WVBU-AM is run with the same professionalism as you would find at any "On-the-Air" AM station. SUPER 64 is also a recognized member of the American Entertainment Radio Network, a service of ABC News.

WVBU-FM is licensed by the F.C.C. as a ten watt, non-commercial, educational station. It broadcasts to the Bucknell campus and the surrounding community, at 90.5 on the dial. The programming is chiefly progressive rock and jazz, with daily classical shows as well as news, sports, and special features. Announcers are strongly encouraged to achieve a third class F.C.C. radiotelephone license within six months of air clearance.

If you think you would like to join WVBU in an on-the-air capacity, the first person to see is **Jane Wolansky**. As Chief Announcer, she is responsible for handling new talent. If you want to be cleared for the air as either a Disc Jockey or a News/Sportscaster, the first step is to arrange a training session with Jane.

If you are definitely interested in being a D.J. you should talk to either **Todd Harshman**, the WVBU-FM Program Director, or **Bill Haydock**, the AM Program Director.

If you feel more inclined toward working on either WVBU's News or Sports Staff, see **Scott Buchholz** or **Jeff Podraza**, respectively.

Of course besides the on-the-air positions, there are many more behind-the-scenes jobs . . .

If your interests are mainly in the mechanical aspects of radio, contact **Walt Morris**, WVBU's Chief Engineer, or **Bill Shoemaker**, the Production Manager.

Perhaps you are interested in Advertising, Sales, and Promotion, if so, get in touch with either our Sales Manager, **Deb Soderlind**, or our Promotion Director, **Chris Laubach**.

If you have any secretarial or managerial skills, you may be interested in joining our office staff with **Ann Morelli**, or helping our Business Manager, **Barb Hehn**.

Other members of WVBU's Board of Directors who might be of assistance are **Mary Ruth**, **Ann Davis**, and **Bill Fragetta**.

If you have any questions about WVBU, please feel free to contact any one of the staff members named above, or Station Manager **Ron Starr**. You may always call us at 1326 (AM) or 3489 (FM), or stop down in the basement of the Carnegie Building from 3 PM until midnight. Also, our mailing address is WVBU-AM/FM, box C-3088, Bucknell University, Lewisburg, Penna. 17837.

No matter how much or how little time you wish to devote, and no matter how much or how little prior experience you've had in radio . . .

**WVBU HAS SOMETHING FOR EVERYONE WHO'S INTERESTED!**
