GARY F. HEURICH, STATION MANAGER

At the April 1-3 National Convention of the Intercollegiate Broadcasting System in Washington, D.C., WVBU-AM/FM was named by some of the major record companies as the fourth best college radio station in the United States.

WVBU-AM/FM is comprised of WVBU-FM which is a ten watt educational, non-commercial station that runs a progressive format and "Super 64" which is a closed circuit station that runs a college-oriented Top 40 format. Bucknell's radio station is one of only five college radio stations in the Nation which operates two completely different formats. It is also the largest completely student-run organization on campus with a staff of over 100 undergraduates.

The IBS has a membership of over 600 college radio stations, and officials reported that the convention attendance this year was the highest in its 37 year existence.
