DEPARTMENTS- It was stressed that the individual department heads should be responsible for their respective areas. It is up to these individuals to maintain efficiency, introduce innovations, and, in general, seek to improve the quality of the department.

He welcomes suggestions. The Ski Report will be reinstated.

WVBU RECORDS- In its two weeks of operation, WVBU records grossed \$2000 and netted \$156. This respectable profit serves as proof of the fact that we are trying to raise money ourselves. As in the past, all station personnel are eligible for the special record rate of \$2/LP. Please convey this to everyone involved. *There will be further information on this later in the week.*

(e.g., mailboxes- RA's- table in the U.C.)

GENERAL- Dean suggested ~~for~~ discussion the possibility of forming a sports team of some sort for promotional reasons. E.g., a football game between WVBW and the Bucknellian- Stan plans to write a letter concerning financial aid to the BU Board of Directors member who is president of CBS- Board meetings will be scheduled as the need arises.
