

**THERE'S
SOMETHING
FOR
EVERYONE!**

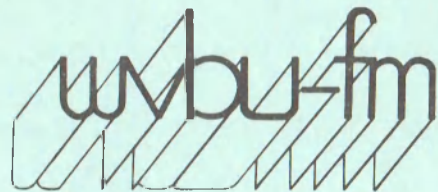

640 AM - 90.5 FM

**BUCKNELL UNIVERSITY
LEWISBURG, PENNSYLVANIA**

SUPER 64

WVBU-AM, SUPER 64, broadcasts closed circuit to the campus of Bucknell University 24 hours a day. The programming is primarily Top 40 with a portion of its broadcasts automated. Although the F.C.C. has no direct jurisdiction over carrier current transmissions, WVBU-AM is run with the same professionalism as you would find at any "On-the-Air" AM station. SUPER 64 is also a recognized member of the American Entertainment Radio Network, a service of ABC News.

WVBU-FM is licensed by the F.C.C. as a ten watt, non-commercial, educational station, and we plan to increase our power and go stereo this Fall. It broadcasts to the Bucknell campus and the surrounding community, at 90.5 on the dial. The programming is chiefly progressive rock and jazz, with daily classical shows as well as news, sports, and special features. Announcers must achieve a third class F.C.C. radiotelephone license within six months of air clearance.

If you think you would like to join WVBU in an on-the-air capacity, the first person to see is **Dean Anderson**. As Chief Announcer, he is responsible for handling new talent. If you want to be cleared for the air as either a Disc Jockey or a News/Sportscaster, the first step is to arrange a training session with Dean.

If you are definitely interested in being a D.J. you should talk to either **Jay Cresswell**, the WVBU-FM Program Director, or **Stu Gay**, the AM Program Director.

If you feel more inclined toward working on either WVBU's News or Sports Staff, see **Gretta Johnson** or **Dave Kirkpatrick**, respectively.

Of course besides the on-the-air positions, there are many more behind-the-scenes jobs...

If your interests are mainly in the mechanical aspects of radio, contact **Paul Mullen**, WVBU's Chief Engineer, or **Tom Deprez**, the Production Manager.

Perhaps you are interested in Advertising, Sales and Promotion, if so, get in touch with either our Sales Manager, **Gail Dobert**, or our Public Relations Director, **Tom Green**.

If you have any secretarial or managerial skills, you may be interested in joining our office staff with **Laura Mills**, or helping our Business Manager, **Sue Dadekian**.

Other members of WVBU's Board of Directors who might be of assistance are **Rick Krim**, **Lyn Damiano**, and **Martha Parker**.

If you have any questions about WVBU, please feel free to contact any one of the staff members named above, or Station Manager **Liz Hawley**. You may always call us at 1326 (AM) or 3489 (FM), or stop down in the basement of the Carnegie Building anytime. Also, our mailing address is WVBU'-AM/FM, Box C-3088, Bucknell University, Lewisburg, Penna. 17837.

No matter how much or how little time you wish to devote, and no matter how much or how little prior experience you've had in radio...

WVBU HAS SOMETHING FOR EVERYONE WHO'S INTERESTED!
