Dear

Colin

I am writing to inform you that the Bucknell Student Government has decided to grant *WVBU* recognition.

The purpose of recognition is to encourage student activities of positive value and to protect the name and reputation of Bucknell University from activities which are not conducive to the best interests of the University.

Recognition makes available to the organization certain privileges, and imposes certain responsibilities. Only recognized student organizations may:

- a. be included in official University publications.
- b. hold meetings or other events in University buildings or use other University facilities.
- c. open a checking account in the bookstore.
- d. represent Bucknell University off-campus.
- e. operate a University vehicle.

You are also eligible to apply for funding through the Appropriations Committee of the BSG.

I would like to take this opportunity to wish you a productive year. If I can be of any further assistance, please contact me at x3150.

Best wishes,

M. Karakelian

BSG First Vice President
