

RULES FOR THE OPERATION OF THE REMOTE EQUIPMENT

1. Two authorized DJ's must operate the remote at all times.
2. Only the two chosen DJ's are authorized to operate the remote and will be held responsible for any damages which they incur to WVBU property. (The purchaser is responsible for any damages incurred due to guest irresponsibility.)
3. The use of drugs or alcohol by either of the DJ's during the engagement is strictly forbidden.
4. All remote equipment and records must be returned to the station's tech room in the basement of Roberts the night of the engagement. DJ's will be provided with the necessary keys, which are to be returned to Will Taylor no later than the evening following the engagement.
5. All equipment should be replaced in the same condition it was received. Please point out any necessary repairs to Will Taylor the following day.
6. Any misuse of the remote equipment or infraction of the above rules will result in charges and/or the loss of remote privileges for thirteen weeks, excluding vacation time.

I have read and do understand the above stipulations.
